DISPOSITION OF PERSONAL PROPERTY

Due to the composition of our elderly population, The Greater Bridgeport Jewish Housing Corp. and its professional staff require each resident to provide information regarding how his/her personal property will be handled upon leaving the site.

The owner/manager of this HUD subsidized site strongly recommends that each resident have a Last Will and Testament in their file here so that if and when the resident leaves the site, personal property will be removed swiftly and efficiently so that the apartment can be readied for the next incoming tenant.

A Power of Attorney would be adequate during the lifetime of the tenant should the tenant be moving to another site such as an assisted or skilled care facility. The holder of the Power of Attorney, if so empowered, would be expected to clear the apartment of a tenant's personal possessions within the time frame required by the lease.

In the absence of a Last Will and Testament and/or Power of Attorney, please indicate below the name(s) of the person(s) whom you are authorizing to enter your apartment and to remove all of your possessions at the time you are leaving this site:
